

Application for Professional Liability Insurance

Please refer to www.lammico.com for a downloadable version of this application.

In order to allow adequate time for our underwriting review process, we ask that you please submit your application at least 30 days in advance of your requested effective date. Incomplete submissions or lack of required information will delay the underwriting process. After your application has completed the underwriting process, you will be promptly notified.

Please read the following instructions in order to expedite the review of your application:

- 1. Answer all questions or mark "N/A" where appropriate
- 2. Complete the attached Claim Addendum if a claim or suit has been filed against you
- 3. Submit a loss summary report from your previous carrier(s) 10 years if applicable
- 4. Provide a copy of your current professional liability policy or declarations page
- 5. Provide a copy of your Curriculum Vitae
- 6. Sign and date your application

Pursuant to the HIPAA Privacy Regulations, LAMMICO will maintain the confidentiality of any medical information forwarded in response to number (3) above, use it only for the purposes for which it was disclosed or as required by law, and notify you of any breach of confidentiality of the medical information of which we become aware.

Once your application is received and reviewed, a member of the LAMMICO Board of Directors may interview you. Following your interview and subsequent underwriting review, you will be advised as to the status of your application.

If you have questions, please call the Underwriting Department at 504.831.3756 or 800.452.2120.

Thank you for your interest in LAMMICO. We look forward to serving your medical professional liability insurance needs.

When completed, please remit this application to:

LAMMICO

TEXAS PHYSICIANS AND SURGEONS APPLICATION FOR PROFESSIONAL LIABILITY INSURANCE

Under the "Claims-Made" policy, coverage is limited to claims arising from the performance of professional services subsequent to the retroactive date stated in the declarations and first made against the company while the policy is in force. Under an "Occurrence" policy, coverage is provided for any incident that occurs during the term of the policy, regardless of when a claim arising from the incident is reported.
